## The Sailor King

**P. Kavitha Priya**

Assistant Professor,

Thassim Beevi Abdul Kader College for Women,

Ramanthapuram.

The wind is whispering around,  
The waves are dancing and elevated;  
The lightning crashes on the shore behind,  
God has changed the lift of me.

Anyone can hold the helm,  
When the sea is calm,  
It never stops and never stops, wait  
I'm growing old and it's getting late;

No kingdom can endure two kings,  
The kings are slaves of the history;  
There is no failure to my country,  
This is my son, worn the crown to a king I desire,  
I must go down to sea again,  
And all I ask in a tall ship and stars to steer her by;  
When will weather be as much as kind,  
I have no failure but a king of sailor.

### **Biographical note:**
