Positivism

Kuhoo Singh

I know there's so much negativity.
So many hurdles.
More downfalls than upswings.
But try to look at it the other way
Without loneliness,
A good company won't be appreciated.
Without destruction,
No new masterpiece will be made.
Without insecurities,
You won't try to be better.
Without hopelessness,
You won't learn to persevere.
Without betrayal,
Loyalty won't hold its value.
Without turmoil,
Peace will have no meaning.
Without fear,
There will be no pride in achievement.

These things are complementary to each other.

And positivity will lose its worth
Without negativity.
