Honey

Melinda Jane - The Poet Mj

Is the past here
and the future gone
honey bees gather, sap
of the past into which
glows, melds the future
golden hopes swallow
stick tongues
glues lips

In scented flowers
stamens sexed to propagate
joy bells, smiles, winks
traps and runways
tickle, lipping pollen

Bee where are you?
Scene oppressed with
vermin, Varroa mites

Fruiting future
jams preserves are...
honey spoon medicine
for fevered brow
artificial preserves
additions lost, additives found.
