The Silver Lining Cloud

Dr. A. Muthu Meena Losini
Assistant Professor in English,
Mother Teresa Women's University,
Kodaikanal.

Its time to salute thee and thank thee
You let me in on your way
As I reach out to thee.
You counseled me when I started my day

You infused me with words of courage and strength
And taught me to face the lightning and thunder
As we share our..., we share our thoughts too
Which pruned me to spread afar.

The way you dress, the way you converse,
The way you teach and act, propagate your modesty
You are simple and humble
And always approachable.

You are dynamic and impeccable and eminent
I lost one chapter in my journey
Which would never be retrieved
As your words are showers on parched land

The room, the place we roam,
The seat you sat
The words you utters
Remind me the 'You'

My eyes seek thee, return disappointedly
As they find thee not but only vacuum .

The other road opens and invites you as Robert Frost
Where you dream about your real life
Where you think about being busy
Where you do things in your own way
Where you start planning your vacation
Where you start looking for gardening and other hobbies
Where you begin to organize family togetherness
It's your yet another New Journey of your life

There, everything is rosy
You are the Master
To cherish each moment
And to thank God
By your ever loving pal
