Lack of Firm Determination

Pooja Kushwaha

Lack of will power and resolution is called cowardice,
Coward persons always fear in every time ,
They think always about doubts and failures,
They fear too much to see little difficulties
And do madly activities for facing difficulties.
Such people do suicide,
They destroy their sleeping to sink in tension, sadness, fears and doubts,
Coward persons are always disturbed by situations,
Always small and big problems come in their
Life for giving fears and tensions.
On the contrary, who has courage
They are seen to face even death with a smile,
In the battle, where the sound of gun is heard from the both side,
At that atmosphere of death, soldiers laugh
And fight with a beautiful smile.
In the biggest problems or struggles,
They keep patience, courage and intelligence
And they try to face all difficult situations with double enthusiasm,
They never fear from any one.
Who has believe upon God and himself

Then, why he fear from anyone?

All worldly works can be completed by firm determination,

So, firm determination is very significant in our life.
