My Love

Vishnupriya S

Assistant Professor of English,
Thassim Beevi Abdul Kader College for women,
Kilakarai, Ramanathapuram,
Tamilnadu.

I love you today
More than yesterday
And i will love you forever
From my deep heart.

You are the rainbow of my blind eyes
Who made me to float around the sky.
You are the song of my dumb voice
Who made me to enjoy the whole day.

Our religion is different
As we are different from others.
Our love towards each other is same
As we are united together.

From morning till night forever
I want you to be near,
Hold my hands forever
I will never miss you my dear.

No worries about my future
As you are my only future.
Let us love our love
Long live my Love.
