Correct Your Mind According to Time

Pooja Kushwaha

We always expect that

Good time will come with a hope and an important message,

Thoughts and working time of people are changed by the time,

Morality challenges to protect from the bad situation.

Just as when winter comes,

Then we arrange woolen clothes,

And when rainy season comes,

Then we repair roof of house.

In the same way, when bad time comes

And also kaliyug comes with difficult time,

Then we must correct our mind very carefully for our protection,

Those who don't repair his roof of house and avoid rainy season,

Water drips from their roof of house.

Winter teases them who don't arrange woolen clothes,

Bad time of Kaliyug affects only to those who don't careful about their protection,

But good thoughts, good deeds, good feelings and good effort

Are always possible in every period and time.

And the candle of light flames only where,

There humanity exists,

Man can get success with facing every situation to get truth.
