## **Teacher: The Unremitting Spirit**

**Roopa Rani G.S**

Teachers are to be the Masters,  
To spread the knowledge and wisdom among students,  
So, they can emerge as intellectuals,  
And to make the world a better place.

Teachers are to be the Moral Philosophers,  
To preach the students ethical and moral values,  
So, they can decide what is right and wrong,  
And to transmit values to the future generations.

Teachers are to be the Special Guides,  
To show students the ways to grow,  
So, they can stand upright in failures,  
And to discover the potential person within.

Teachers are to be the patient Guardians,  
To help the students to speak out the unvoiced,  
So, they can unveil their plight and agony,  
And to subjugate their predicaments and emotional distress.

Teachers are to be the affectionate friends,  
To aid the students to be cheerful.  
So, they can keep their spirits up,  
And to see the beauty of life.
