Demolished Democracy

Amuthan J
Department of English
Loyola College-Mettala

Demonstrating Democracy is impossible,
Freeing people is its character, but
Freedom is no more; yet
Reasoning relies on us.
People are not electing the leaders; but
Leaders' Money is electing them.
We sell our votes and so our freedom,
We are unable to consume our rights.
Politics is not with service but with money.
Half a century before people became leaders;
For their service and not for money
If citizens are correct with their rights
Then the democracy will be all right
People are money minded and so the leaders
We are the cause of corruption
If the real service surrounds the society,
Then, Corruption will collapse.
Democracy became as for, of, by money
Criminality is cured by money; so
Money demolished so called 'democracy'
