Clutches of Current Corona Cactus

B.H.S. Thimmappa

Department of Chemistry,
Manipal Institute of Technology,
Manipal Academy of Higher Education,
Manipal, Inida-476104.

Coronavirus changing the global health climate with no certain cure

Current crucial concern claims cremation instead of cemetery use

Callous attitude calls forth carnage in a catching disease creating confusion

Concentrate on concrete control steps and community compliance fusion

Communication chain breaking is a challenge to the civic society

Carry on with caution to avoid chaotic country life possibility

Check city and community spread with a code of conduct

Coherent committed effort can combat corona cascade effect

Countless confined in current corona caves in continents

Corona recovered humans remain as carriers with consequences

Contentment now comes at a cost with no comparison

Conjointly combat covid-19 reducing the casualty computation

Carry out *covid* testing on a fast-track basis, and social distancing on a war footing

Conceive the idea, apply the concepts, and implement containment planning

Conduct studies and research on the highly contagious viral disease

Carry away corona carefully and completely from the globe to live in peace

Innumerable dead bodies rolling rapidly all around the world in broad daylight

And the lockdown curfew at once flash upon that inner mind bring to light

Clash with a contemporary corona challenge; conquer the corona scare with the capability

Confront calamity with a competency; carry through the global goal with the capacity

Better the world with a novel virus battle in the dear green earth with crucial decisions
Behind, leave the casual attitude, carry out the needful with thoughtful conclusions
Besides, carry out our extraordinary humanitarian deeds loud and bold
Beyond, make our lives better with health and wealth threshold
