Stay Focus on Your Goal

Pooja Kushwaha
Research Scholar,
Department of English,
M.E.L. University of Lucknow,
Lucknow.

If you really want to make your life happy, calm and successful,
Then first of all decide your only ideal thoughtfully
That I want this and this will happen,
Just keep looking at yourself
And focus your vision on your goal like Arjuna.

Do not pay attention to the characteristics or demerits of others,
Do not think of becoming like that
Just by looking at the specialty of others,
If someone is characterized by quality of good songs,
Don't think of becoming a good singer.

If you really love music,
Then you can try to bring the specialty of the song within yourself,
Within the limits of your ability,
Work with truth, honesty and constant hard work
To achieve your goal.

Think less, 'Do more',
Do every work without any fear,
Work with satisfaction,
Awaken the self - power by keeping the mind happy,
Focus your vision on the goal.
