Virtual Image: Truth And Self**Rupam Goswami****Assam, India**

A smooth demarcation that profoundly exists
between Me and me in real breathings
proclaim that's not claimed,
during hours of growth behind the walls
of two similar unlike worlds,
yet do I see Me in both!
How kind to mankind has been man-
an insane Me builds me the same,
a gorgeous cloth residing upon Me and
Wow! A gorgeous me the other side
of a smooth demarcation profoundly alive.
But, how can the Maker outsmarted be!
Behold how man his self sees
in a sport of vision
but can he not his thoughts beneath
the armour that is called his self!
