When You in Days No Longer Smile

Anthony Villett

When you in days no longer smile
And my heart you don't see for a while
Baby trust in what we've shared
Trust in all the feelings there
Soon I'll be with you
To extend the love we've had
And I promise that
I will always care

Should you in moments never care
Thinking I've taken all that's there
Baby how can I not care
Leaving you alone to bear
But time is all I ask
To guide you with both hands
And I promise you that
I will always be there

In the silence of each night
When the moon your face alight
Maybe without my sight
Baby privately all alone
Hold dearest a memory of me
Hold dearest a smile for me
Let my love the warmth restore
In times with bitter strands
