The Line

Dr. Anuradha Kherdekar
Associate Professor of English
Dhanwate National College,
Nagpur

Don't remember when
the first line she wrote in diary
Dodging deaths; wish to live, But.
The next line couldn't come
not then and after many days
The line remained alone
waiting for next lines.
As time passed and
with urge to live
The but in the line
turned meaningless.
And jumping over the line
altogether new lines emerged.
She thought The line was almost dead.
But No
On the occasion of Birthday celebrations
The day we start our life afresh
in the same diary and on the same day
The line reappeared again.
The eagerness for
long awaited next lines to come
could be seen in her unwearied eyes.
