The Stigma

Mike Williams

Have you heard about all the gun violence
down in the states

The numbers increase
at rapid rates

A shot fired here
A shot fired there

How could somebody do this
Without even a care

There is no answer
They're obviously unstable

They must be, they must be
They don't have all their cables

To simply go harm a child
the problem ,it must be more than mild

So instead of arming teachers with guns
Let's take better action to prevent a rerun

Besides better gun laws ,and handing out ammunition
Go put yourself in a better position

Open yourself up to learn about mental illness
Then the result will not cause so much chillness

Chillness down the spine
Our discomfort with mental illness we need to refine

It is misunderstood
It has a bad stigma

Oh mental illness
Is such an enigma

But if we were educated
If we were better taught

We could prevent this
Those kids wouldn't be shot
