It's only with you...

Natana Vasuki
Thanjavur

With you by my side
I bask in the orange
Shades of the glowing sun
That opens the secrets of the day

With you by my side
I hark to the unspoken
Messages of the wind
From the distant lands

With you by my side
I taste the elixir of life
which induces the infinite
Charms of love

With you by my side
I smell the sweet fragrance
Of love's scent that oozes from
Every blossom of spring

With you by my side
I behold the unseen
Ecstasy of magic of the moon

Spilling its soft beam

Over the dark bowl of night

With you by my side

I feel the intangible

Forms of the spaces

That unlock nature's secrets
