Anthrax of Corruption

**Jeowary Basumatary
Assistant professor,
English Department,
Fakiragram College, Assam, India**

Oh folly mass!
Don't let your heads down
Before the abstruse tyranny,
Don't let your valor
Turn into rotten flesh,
For there is a quagmire
Behind the mask of green.
No more sincerity.
No more prosperity.
But only prevails a stumbling block
On the way of unity.
The corruption infected
And mingled with the entire blood.
A man with truth
Is like a clown in their sight.
They are a dibber
Making holes into young generation.
Neither research nor prayer
Can annihilate their indignation.
No more Gandhi to incite
Against the deadly anthrax of corruption.

A hope of sparkling light of truth
Is yet far away to achieve.
