Little Savior

Dr. Shalini Yadav
Assistant Professor
Al-Jouf University,
Kingdom of Saudi Arabia.

Dewdrop on leaf's edge
Basked in the glory of life
Before it met doom.

~~

Bulbous clouds in sky
Not nimbus, waterless white
Monsoon's departure.

~~

Angry waves of bay
Surge towards the shore to fight
Shore's stillness conquers.

~~

Roses laden plant
Standing amid cactus lane
Shows survivor's pride.

~~

On green shady bank
With profuse fragrant flowers
Sings cuckoo my notes.

~~

Running down hillsides
Rainwater towards the plain
To run people's life.

~~

Shimmering in sky
The Aurora Australis
Lover's gala time

~~
