Approach

Gregg Dotoli

Relearn the approach toward word
Like the bread-handed child coaxing a bluejay
For the feather and blue close-up
to satisfy his curious nature
to get peace-close
to observe not cull
that child is pure in objective
and sincere in goal
but becomes polluted and eco-aloof
time sheds innocence
instills neglect towards nature
like our empty approach to climate-wreck
animals and plants wordlessly weep
Nero fiddled while Rome burned
and we look away as nature dies
Relearn the approach toward word
get peace-close to word
accept waning nature , man as viral polluter
Earth
this is our circle, every point
words deny, nature never lies
