Divine Truth

Ruchi Chopra
Brecksville, Ohio, USA

As I meditate,
thinking about life trivialities
I hear my inner voice,
crammed inside chaotic routine
one pious reverberation nudge
my numb conscience
countless prayer bells chimes
in quest of finding peace and purpose
of being alive!

My *restless* soul embarks on
self-realization journey
bidding farewell to all existential rituals
embracing colorless and formless entity
sipping only *azure* light
forming one *infinite Halo*
divine aura that *shines* bright.

The cosmic unison chants heavenly hymns
my soul-searching journey stirs
mystical tattva and panch mahabhuttas.

I hear,
Echo of Universal bliss
blurring all obscurities
Om, is the cosmic healing sound
the *Atman* ascending in cosmic eulogy
gravitating back to one form, one life
unborn, devoid from any sufferings
scudding through births and rebirths cycle.

Impersonating cosmic hallucinations
Karmic trajectory exemplifies virtue
Moksha, is my last abode
applauding *divine truth* till eternity
that alluring *Speck of light* bursting into
tiny, formless, shapeless and colorless entity
embracing *Satya, Dharma and Shanti*
Aha! I feel rejuvenated
free from all miseries.
