## Drum

**Temitope Ogunsina**

A talking drum  
A talking drum spoke last night  
That poetry is more philosophical  
And more worthy of serious attention than history  
So society don't be broke  
To pay attention to poets  
Because truth dwells in their words  
And their lines are not fallacies

A talking drum spoke last night  
That it's never right to requite wrong with wrong  
So evasion to subscribe  
Be disciple of change  
As Khudiram Bose and Surya Sen  
Because the change is you

A talking drum spoke last night  
That hope is a working dream as Aristotle  
So drop all worries and adopt hope  
Cheallega yourself to know  
To know that time is the speaker of all things

A talking drum spoke last night  
That Justice must begin to rule  
So society began to reward intelligence and shun ignorance

A talking drum spoke last night  
That this age must be revolutionary age  
So wake up and say goodbye to sleep  
Pick up the mission of peace  
As Ghandi Mahatma  
Because world is lacking peace

A talking drum drum spoke last night  
That life is an expression of all your thoughts  
So design your world with change, you desire  
Because your world is you
