Bliss of Solitude

Farah Siddiqui Matin

I feel considerably great in my hours of solitude
I feel truly alive in my bliss of solitude,
I cherish every moment, as if I am ready,
To hold you in my arms with love and tranquility
The intact memories beautifully gush in my mind
Which frontiers and boundaries fail to confine.
Your love excites and pleases me to an extent-
And it omits all my worries with an assent
Your thoughts titillate me to gleam in my loneliness
Your love grooms me to survive with a honeyed essence
I am in the bliss and whole universe seems to be in my arms
As if you are in my destiny and I adore you with Charm
This is my love in these hours of solitude
That will bloom every time beautifully ...
