Parity for Woman's Right

Farhana

Woman thy name of toughness
The essence of incredible power
They are intuitive of their works and duties
Woman, who disown the exploitation of men's society
They can stand against the stereotype social norms
Woman thy name of blatantly existence of honesty
Who feel disdain after defeated by the men
Woman thy name to terrify the blackout superstition
They are luminous light, the shining gem on earth
They are here to break down the traditional taboo
Why should they fear from the cruel world?
They have the instinct to intimidate the patriarchal Society
Women are present here, not for fall but to soar like an eagle
Insight knowledge should acknowledge their discreetness
Woman came to dismantle the vicious world
And make a solemn pledge to engulf the world with purity.
