## Complexity of Bond

**Dr. Bhavna Sharma**

Relationships are so strange  
They make man a slave.  
Powerless and frightened he takes a chance  
To make his life a blooming romance.

Mother of all, all so pure,  
Cuddles the heart and lets you toil no more.  
Help you raise above all the temptations  
To make your life feel the gestation.

Father is strong and so is his heart  
He gives the strength never to tear apart  
Reluctant but wilfully he ushers your life  
And showers with his plans so bright.

Siblings are blessings in the doorway  
They gather your life and never let it drift away  
No matter the distance they anchor your shares  
And guide your life with their powerful prayers.
