Lines Written on a Valentine Night

Sourav Paul

Who has seen the deep blue sky on a starlit night
Than I to gaze your murky hair at pendent bright?

Who has unfathom'd sea in a full moon seen
My vision in which your darkest eyes had e'er been?

Who has seen the golden petals of wild fragrant flowers
None but me those scarlet lips poison'd coral showers?

Who has seen the brightest fire shining summer's day
Burning glances yours and 'all the world was gay'?

Who has seen the rainy forest fuming ivy hue
Motion you have, darling, the secret motion have you?

Who has seen the milky streams murmuring to blow
The more I dote, more your gasping smiles do flow?

How I feel the thoughts of Love the looks so due!
Weird moments I lost insight, I lost in you.
