## Sounds of Silence

**Bilal Ahmad Dar**  
Research Scholar,  
Department of English,  
Aligarh Muslim University.

### Epigraph:

What you must understand about me is that I am a deeply unhappy person. John Green

At night comes out an uncanny, uncouth call from nowhere.

It perturbs my tranquil self- the self beneath the dogged being.

Becoming restless, I start to saunter inch-wise.

Roaming from the earth to air bears no fruit.

I start to weave thread less shuttles.

It makes me shriveled and weak.

The sounds of silence begin to echo in my deaf ears.

I fathom nothing but chaos; the chaos-an outcome of holy- sin.

I live on the victuals of sin- the holy

I am an everyman of this sin-ridden and sin-sunk society

### Epilogue:

Everyman has his secret sorrows which the world knows not; and often times we call a man cold when he is only sad.H.W.LONGFELLOW.
