## SHE

**Dr. Abha R Dixit**

A spur of the moment decision,  
Nefarious, wicked, astonishing or marvelous  
Filled with uncertainty, fear or anxiety  
For, swerving on the swivel of existence  
Someone was breathing and embracing life  
The three trimesters of patience  
Among the worldly murmur and chaos  
Introduced SHE.

Some rejoiced, some tearful,  
Some sarcastic, some scornful  
Dowry some said, some pain  
Responsibility some said, some stain  
Within came a voice, Angel!  
It is a Big Blessing, it is SHE.

She is life, she is friend  
She is miraculous, she is trend  
She is fighter, she is strength  
She is beauty, can stretch to immeasurable length  
She smiles so pure, only she can endure  
The failure, the misery, the success, the treasury  
Yet, she gives, never gives up  
She builds, never breaks up!

From a tender bloom to a flower  
Her fragrance enticing even the supreme power  
She scampers, she cavorts, Aah!so high strung  
With her giggle and laughter, there SHE sprung  
Spreading happiness, love, care, empathy, radiance,  
An equal proportion of all stands together in strong union  
Celebrating her beauty and strength, validating her as a great companion.

She has the power to create and nurture  
With inner strength to incubate and foster  
In his world, she has to travel miles  
To prove her worth, to find her mirth  
Fight, she must, for equity and fairness  
Succumb, she must not, to unfairness  
For, she is no puppet, she is a being  
For she is no doll, she is SHE.

A Heinous plot it is, the gradual dissipation of SHE  
Into the twisted twigs of patriarchal plexus  
The Prenatal death, the unscrupulous murder  
The defining of herself as a sinful creature  
Ah! What an irony!!It happens in God's own country.
