## Script

Jagari Mukherjee

I could only read the script of your eyes,  
And wish I could touch your expressions with my fingers  
As softly as I would touch  
The wings of butterflies...  
I also did read your wet eyelashes  
And wished I were a teardrop  
Touching your infinite delicate stories  
As if they were roses...

I am haunted by the script of your eyes,  
Day and night –  
I am in agony over the possibilities  
Of roses and butterflies...
