Suffering

Namrata Sharma

Asst. Professor,
Maharaja Agrasen Institute of Technology,
Sector-22, Rohini,
Delhi-86

For a long time, I have been searching the motto of my life

Did you find one?

I suppose Life is what a game of sufferings

Just like 'a game of chess'

Does this remind you of the waste land?

"Punrapi Janmam Punrapi Marnam

Punrapi Janni jathre Shyanam"

Birth , Death, Rebirth, death ...

This process of coming again and again to this mortal world

Never perishes

Again, and again coming in the cage of mother's womb.

Life starts and thrusts you in the clouds of gloom..

Have you ever realized this?

Don't be gratified of the name and fame so tall

These statures are one day designed to fall

This song of anxiety may fade away tomorrow

Realization to this possibly save you from sorrow

What can be the life's motif then?

It is hard for anything to be easy

Humans need to do more to attain humanity

Humans are mortals, humanity is immortal

How can a wrong connection be last long?

Life is not always a game of suffering
If seen from another angle
The seers have the competence
to light upon this different view point
I bet they will never disappoint

If follow the path designed by great masters
Sufferings will be the part of dust soon
And remain will be robust blissful soul
Enjoying the oneness with eternity
From where there is no come back to the world of Mortals
O God! I wish to reunite you in your blissful abode

Now I realize my dictum in my life
Shelter in His arms is my redemption from the sufferings

Biographical Details:

She is co-author of '*Dr. Syama Prasad Mookerjee: Ek Shikshavid*' published by National Book Trust, Delhi (2017).
