Agony

Dr. Gazala Gayas
Associate Prof. in English
Hyderpora Srinagar.

Living on the precipice of life

Oh ! God, tell me the reason of this agony

I tried a lot to change the fate of this darkness

The dark shadows of kinship darkened the face of agony

Born as a second sex, so an inferior being for them

My own mother created for me this chasm of agony

I educated my passions against the wrath of love

Dug a deep well to bury it and created a hell of agony

I opened my TV t?o seek pleasure and have some peace

The horrible news of violence and hatred watered this agony

In the morning I opened the Book to fight this sadness

The newspaper under it narrated the tale of agony

Shall I migrate and live in a peaceful city I googled

It displayed a big world of human agony

Oh! Man where shall I take this heart of Eve

You filled my world with paradoxical heaven of agony
