Agent of God

Roshan Singh

Isn't it unbelievable !

The creation begets its creator; Just a child begets its ancestor .

Isn't it so inconceivable ?

Your chanting hymn debases the taste for the Eternal Abode ,

Your utter devotion consumes the Divine Soul into a superstitious sod ;

Isn't it so terrible ?

A vast multitudes' consent where you are the mediator,

And Oh Lord ! On your resent they are merely the wretched sufferer ;

With supremacy you have set the Treasurer's hands to be begging like a borrower.

Isn't it so horrible ?

The Bony Hands ,the Lean Faces , the half-emptied Bellies roam around your parliament

And you ...with ease feed the Man's Father with pains unbearable .

The Vedas , the Upanishads present in a flowery bouquet through all your utterances,

But alas ! Where are those human progresses and their unique assurances .

Isn't it so questionable ?

Dive into the depth of Human Religion ;ransack the pearls of the Eternal Truth

Have the unique vision and taste different scriptures and their unflinching Fruit

It's the human soul and its virtuous dress of Humanity

That is coloured in Dedication, Discipline and Benevolency

Isn't this spirit unstoppable ?

So ? Stop distracting the already confused and undiscovered.. the supreme creation on earth ;

Forget your distorted religious promises and break down the boundaries , the ignorance and its dearth

Be the Agent of God ..the universal Messenger of the Almighty if you can..

And make us feel ...really unbelievable .
