On Friendship

Father, Mother, Brother and Sister,
House, Dress, Food and Studies,
Do all of them make us complete?
Of course not; in the absence of friends!

Friends are the ones, who love you much!
They worry for you, steer you and hear you;
Wipe our tears away, pray for us and,
Keep us elegant and vigorous all day.

Friends are a must for everyone,
Friends are a stimulant in our routines,
They can calm us, understand us and
To them we give our mind's key.

None other than our friends can;
Read our thoughts as if in an open book.
We all must become good readers and,
Read our friends' thoughts as well.

“Who are friends?” I don't know!

But they are those who show to us,
A marvelous path in this gloomy world,
With their golden lamp of love!
Friends must remain forever,
Even after their departure from our lives;
Their sweet memories must cling to us, till
We too become lasting memories.
