## Garden of Love

Dr.Gazala Gayas

Like a chinar leaf, I changed my colours

Then, I entered the garden of love

The morning breeze whispered secrets of life

Then, I entered the garden of love

Spring came, I embellished my self

With green chroma and colour

Got rebirth once again on this earth

Then, I entered the garden of love

In hot summers, I reached the zenith of my beauty

a bride, in red and green attire

my youthful beauty enticed the sentinel

Then, I entered the garden of love

Autumnal winds crushed my emotions

My soul got, released from its cage

I buried my passions to be reborn again

Then, I entered the garden of love

During winters, Sommelier caroused me to oblivion

And charged me with high passions and feelings

Snow avalanche, cooled my all sensations

Then, I entered the garden of love
