**Dr. Roopesh Chaturvedi**

Let's snatch the issue from hungry hounds  
Let them see that it's our round.

The time is high; let's embrace multi-religion,

You love mine 'n' no one raises the gun.

If *Hindu*, just go to masque offer *Namaz*,

Take new God for a better cause.

If *Mulla*, why can't go to temple,

There, will get godliness: Ample.

You follow yours, I follow mine,

I follow yours, you follow mine,

And let's make our lives extra divine.

Don't give rogues a chance to exploit,

Don't give them chance to raise fight.

Ask them for bread and butter

Let them peace and love utter.

Your Allah and my Ram never fight

They don't love wrong as they love right.

You make *Chola* and *chunni* for our God

You get the blessings though you don't plod

The temple- stair and why you should not?

Time is high, only we can wrought,

The religion as a non-political issue

The religion as only I and you view.

I follow yours, you follow mine

Let's make our lives extra divine.
