The Problem of the Alter Ego

Amruta Belapurkar Sharma

Assistant Professor

School of Interdisciplinary Sciences

Symbiosis University of Applied Sciences

Bada Bangadda, Super Corridor, Near Airport,

Indore, Madhya Pradesh 453112.

You're wrong in ways none
But your problem is
Your own nature, a rebellion
You rejoice being a rebel
And enjoy on your name
That label.

But my friend
The problem is not so simple
As it seems
Your problem is deeper and graver
For you rebel even when
Things are in your favor.

You agree not to any norm
Even if it's doing a good
You find not any charm
Even if you see you could

You've seem to surrender to
'*Mephistopheles*'
Marlowe)
Who enchants you with his service
But actually governs you
With his evil spirit

(Reference: Dr. Faustus – Christopher

You yearn for '*Helen*'
Marlowe)
You burn for '*Helen*'
But earn nothing

(Reference: Dr. Faustus – Christopher

In this ruthless tavern

Your will to burn with passion
Will do you no good my friend
For we mortals have
Endless fuel of desire
For combustion

'There can never be a separate peace'

Hemingway)

You've mistaken to search
For it, in this life's lease
We are in ourselves complete
And if only you understand it
You'll learn to live at ease.

(Reference: Farewell to Arms – Ernest
