Realisation

Dr. Nilamadhab Kar

MBBS, MD, DPM, DNB, MRCPsych

Consultant Psychiatrist and College Tutor

Black Country Partnership NHS Foundation Trust

Steps to Health

Showell Circus

Low Hill,

Wolverhampton, WV10 9TH, UK

Few years back we were not here
Nor will we be after a few.
No body dreamt or desired us as we are
And maybe we won't be remembered.

Some have greeted, some others will bid adieu
Guest though we, always acted host
And our eternal identity sighed in despair
For the dawn of realisation

We had really missed
What all we were offered
As guest, by Him, the Host
Instead had tried to grab - the filth
From a misunderstanding to nuclear holocaust

We have forgotten to value tear drops
We are not comfortable with smiles either
Tense and tight, we wither grain by grain
Our paralyzed soul,
Could neither create nor recreate
We, our mere bodies, just wait
To perish into oblivion

Biographical Note:

Dr Nilamadhab Kar, writes about the contrasts in human understandings in relationships, expressing mostly through poems. He remains active in literary activities, including editing journals and translation works of Odia literature to English and vice versa. He has two poetry anthologies to his credit. His literary articles have been published in magazines and anthologies in USA, UK, and India. He is a psychiatrist by profession working in the UK, with many charitable endeavours in India. He is also actively involved in research and has published medical articles and books.
