Early Assertions

Neelam Dadhwal

When the things fall into their place
watch how slightly everything
comes to balance
our senses, our view of the world and beyond
we concoct because everything
that could be nurtured
is a trust
for our best defense
life is not a deceiving game
it is a payout cheque of
your choices and will
before somebody could tell you
you have to start
what your belief is and what you can make
others believe in.
