What is Miracle?

Purbasa Banerjee

Everyday is a miracle
If you live
Every hour is a miracle
If you get your family besides you
Every minute is a miracle
If you can run behind your dreams
Every second is a miracle
If you peacefully breathe
Everything becomes miraculous
If you get your things done
With the help of some unknown God's real Sons and Daughters
If you feel yourself blessed
If you feel your life worth living
If you feel you can handle things
If you accept your failurity
If you just have a smile on your face for everything
If you love Every one equally irrespective of any single thing
If you understand others different pains and stories
If you appreciate small things
If you love your life and yourself
If you respect your imperfections and find perfection within them
If you...
Nothing just know that "EVERYDAY IS A MIRACLE" If you can feel it.
