Wisdom

Shefali S K

Assistant Professor,
Department of PG Studies and Research in Psychology,
SDM College, Ujire,
Karnataka

When people say:

Wisdom matters!

Why don't they realize,

That,

Now a wise person was once an amateur.

Why don't they realize,

That,

Wisdom comes with,

Age and Life experiences.

Why don't they realize,

That,

Wisdom is not something,

Which we are born with

Or

Something, which could be purchased.

Why don't they realize,

That,

They need to give an opportunity,

For a learner,

To learn,

To live those life experiences,

And to be wise one day.
