Once I saw
A fine and rare piece of art
One of those which
At once allures the heart
I was so amazed that
Suddenly I got curious to
Touch the hands that formed it
To feel the heart that created it
Fortunately after a few efforts
I was able to meet
The man behind this perfection
Alas, his own life was deformed with poverty
As soon as I referred that piece of art
On his face the sign of aggression emerged
He asked, "Have you seen that piece of art
Which is placed in the pleasure Dome of the King?
I replied "yes exactly"
"Who told you that I have made it" asked the man
"Everyone says so, no one else but you can create such a live thing" replied I
Oh! If you could see the face
Beaming with pride and contentment
But Lo! At the very moment it changed its colours
I could read the pain and agony on his face
When he said, "poor boy, you have knocked at the wrong door. That work is no longer mine
because when I expressed a desire to have a glimpse of my own creation
The king scolded me by saying "it is no longer yours
It belongs to me now because
YOU ARE PAID FOR THIS"
Saying this, he burst into tears which were
as valuable and rare as his art was.
