## I Wanna Fly

Jagdeep

I have no fear to touch the sky  
If I become satisfied;  
With the sphere,  
I would not like myself to tie  
I want to fly in search of pi.

I want to conquer the world  
Beyond the horizon  
Where emperors rarely do reach the aliens  
By their philtre virtues  
Under the sword of reason;  
To break the walls  
Of the dark prison  
That prevents the moral spectrums  
From colouring the world bright  
Through the conscious prism.

I'm sure,  
One good thought can mean  
Thousands of good deeds;  
The deeds cause to produce genes  
Of millions of seeds;  
And the seeds will form a fruitful scene  
Where among others a beggar also feeds.

### **A short third-person biographical note:**

Jagdeep is an Assistant Professor in the dept. of English at Soundarya Institute of Management and Science, Bangalore. He considers The English and Foreign Languages University - Hyderabad, where he studied Post-graduate Diploma in Teaching of English, as a source of inspiration for him to bring out his skills in teaching English language and manifesting his inner affection towards the world of emotions and values in the form of poetry by making an attempt to order the words along with their potential contributing a big vision of human ethics.
