A Mother's smile to her child is like Boost that  
Nourishes the child with love warmth and affection  
Of threads of life weaves the human ties.

A Teacher's smile shapes his student's unrefined wisdom  
As a carpenter reshapes a piece of iron into a sharp  
Glistening sword, a prop of confidence to a warrior.

A husband's smile blooms his wife like a flower  
Spreads its fragrance of happy life and is a sedative to her  
To foster the matrimonial bliss without any mess.

A politician's smile is like a tonic to the voters  
To shower votes as God blesses the pious profusely  
To prolong the sacred relation forever.

A shopkeeper's smile is like a friendly gesture  
To appeal a customer to be his benefactor  
Who ever is beguiled by the seeming smile

A smile of a baby is a boon to her mother  
A smile of a girl is a rare gift to her boy  
A smile of a boss is an extra bonus to his colleague

A smile of a brother is a fraternal shield to his sister  
Oh! A smile sustains and glitters everyone's life.
