Create Your Own World

Pooja Kushwaha

A tremendous world is present in your consciousness and in yourself,
That world's situation is so important for you.
In front of that world, earth and paradise are trivial.
No doubt, man is deviated by outside circumstances,
But all the substances of the world are not affected by good or bad effects.
As much as you are influenced by your personal views and beliefs.
The man himself is his friend and his own enemy,
No friend will help you
As much as man can himself.
In the same way,
No other person can hostility towards you
As much as human beings can do their own hostility to themselves.
The man can creates his own world
On the basis of his imaginations, strengths, thoughts and beliefs.
The same world may give him the real happiness and sadness.
The human mind is filled with stupendous powers,
He can create extremely useful facts by his power.
