## **Pain of Rain**

**Vishnupriya S**

She never shows partial,  
As her presence is very essential.  
You can never bring her by scintial,  
As she is from celestial.

She is the mother of all farmers,  
Without her they would wander.  
She considers them as toddler and  
blesses them with many wonders.

She falls on the plain,  
Human forget their pain.  
They start to think about their gain,  
Without having gratitude in their vein .

People never try to retain classic,  
They ran behind plastic.  
Forget to preserve their Earth,  
And lost its worth .

Without her they started to weep,  
Dear humankind its time to think deep.  
Stop avoiding plastics,  
Our Earth would turn fantastic.

No more fear,

No more tear,

I would swear,

Everything will get clear.
