Reflect, Repent and Reconcile

Dr. S. Anita Evelyn
Assoc. Professor,
Dept. of English
R.M.K. Engineering College.

It's been a while I've been out on the road
Seated in my balcony, I pondered why this misery?
Is this a misery or a mystery?
Self - analysis started pouring in...
Have I thanked God - for the good health, food and shelter?
Have I thanked Him for HIS protection and grace?
Have I ever sincerely followed HIS precepts and ways?
O no! I 've been too busy for any of these...
Looking back, I reminiscence-that 'Life's like that folks!
Is Just a statement...
No time for God, No time for family
Then, what's your priority? I mused...
Cutting edge Technology? – But
What has happened today?
The whole world has come to a standstill – why?
A virus... Deadly Virus ...
A cure yet to be found,
People dying in bunches being buried underground...
A sad sight, where hundreds die and thousands cry...
Pandemic 2020 which has made me think,
Has made the world blink...
How long will the wait be? I mused,
A gentle whisper told me, “Nay, don't be bemused, the end is not too far...”
Reflect, Repent and Reconcile - because 'tis the time ...
