## An Indication of Approaching Death

**Gandhali Sawant  
Research Scholar,  
Department of English,  
University of Mumbai.**

Liana climbs towards the top of the tree  
While uprooting it from the bottom.  
A serpent hisses towards its prey  
Gliding indolently across the branch.  
The clouds soundlessly commence  
A torrent of relentless rain.  
A dying flower, rustling leaf and a broken dam  
The lone indication of approaching death.
