## Tired Time

Gobinda Bhakta

Time! Thou are preyed by pandemic disease.  
Demonic disease breaks Thy scheduled clock.  
Now you are vacation of long sleep.  
Thou lose thy importance and meaning to human for thy hibernation.

Thou are not a king but a mere slave to human.  
Thou can't force human to follow madly after you.  
Neither can thou make students busy to studies nor make teachers hurry to complete syllabus within time.  
Thou a defeated soldier can't fight against Pandemic who destroy many budding careers in their nip all over the world.

All drivers forget the time table to run their machine.  
Sportsmen forget their ground to play.  
Doctors forget to face long queue for outdoors patients.  
Mechanical productions do not get new lives in industry.

Busy, hurry, swift all-time bound words are taking rest under the cell of Pandemic.  
All they wait for their saviour of vaccine from the demonic grasp of epidemic.  
All forget thy proverb, 'time and tide waits for none'.  
Human kingdom is tired of waiting by you.  
Man forgets thy medicine of "Time is the best healer of all pains".  
Thou bring inactivity of boredom, laziness and frustration to all.  
O time! spreads thy wings to destroy Pandemic for restarting the activity human civilisation smoothly.
