## Light and Glitter

**Dr. Pradeep Kumar Srivastva**  
**Assistant Professor of English**  
**Government Engineering College**  
**Aurangabad, Bihar (India)**

Before Glitter; Light was alone.  
The heart of Light was same like stone.

At first sight; he was really bright.  
Nobody could guess the glittering of Light.  
Now, nearly five years; he was bright.

It was because Light had its glitter full.  
The mingling of Light and Glitter was beautiful.

During this sunny period, Light was brave.  
He wasn't a light but was a grave.

He efforts, again and again; for this union,  
They were satisfied with each other's companion,  
Nearly half year gap; truly it was reunion.

Again, Light was courageous and splendour,  
It was the time when Light could surrender.

Suddenly, a storm interrupted Light,  
Light and Glitter were separated, they weren't bright.

For this, for everything; Glitter was responsible,  
Light was glorious and he was even able,  
Of course, there were problems not simple but terrible.

It was disturbance in the universe of Light,  
Now, Light was dim, about to finish; but Glitter was bright.

About five years have passed in ups and downs,  
Light reunited himself for another crowns.

Alteration of Glitter changed the life of Light,  
This try again the new one could change back Light into bright.  
Worldly inconsistency of the fair-sex could not damage Light.

This duration covers a period of about more than a decade.  
Light is bright with his new choice, care less for what he had.
