A long walk to go  
Lockdown is smaller than life  
Corona perishes, stay at home  
virus scares if physical distance maintain  
Lockdown is protection not detention  
Staying socially away  
Mentally closer with others  
Spread love, not hate in mind  
It's time to understand and to be understood  
Respect others be respected by others  
Selfishness need to be removed now  
Not with excess freedom, but with responsibility  
To think for a solution is our right  
This is bio- war, fight with invisible enemy  
We are the victors, live for freedom of India  
Our gratitude to people who sacrificed their lives  
If your home is a prison for you  
If you are enemy to yourself, who will save you?  
Except you, your self, not other people  
Fight for power manoeuvres  
With this virus, enemies are around you  
Continually, desperately fighting  
Corona is permanently infested with humanity  
Stay at home till then, until it vanishes from us

Be with all of you, be careful

In this time of global crisis

you must fight against this corona virus

You are the warrior and a hero

Through this war, the virus around the world

This is the best service you can do for the community

You have to save your life by maintain physical distance

Suffering must be endured, lives must be saved

To fly like birds, to move like animals

Is not possible in this crucial time

Quarantine is not punishment, it's training

Save yourself by following lockdown process
