Unconditional Path

Dr. Jimmykumar Prajapati

Why partition is antagonistic in adoration?

Simple to fall and attracted it.

However, hard to swim in it.

Individuals call it end, make it end,

However, it won't ever end.

Stay in some structure.

Falling flat in acknowledgment of such presence.

Not all that much,

Simply remain dryness in the heart.

An obstinate inclination obliges to remain industriously.

Season changes when time comes.

Individuals change when opportunity arrives.

In any case, inward part stays same on the whole.
